

A Silver Level CRC scores at least a level three in the three foundational assessments and is qualified for 65% of the occupations profiled by ACT. The following indicates the skill understanding in the three foundational assessments.

Applied Mathematics

- ✓ Solve problems that require one or two operations
- ✓ Multiply negative numbers
- ✓ Calculate averages, simple ratios, simple proportions or rates using whole number and decimals
- ✓ Add commonly known fractions, decimals, or percentages
- ✓ Add three fractions that share a common denominator
- ✓ Multiply a mixed number by a whole number or decimal
- ✓ Put the information in the right order before performing calculations

Locating Information

- ✓ Find several pieces of information in one or two graphics
- ✓ Understand how graphics are related to each other
- ✓ Summarize information from one or two straightforward graphics
- ✓ Identify trends shown in one or two straightforward graphics
- ✓ Compare information and trends shown in one or two straightforward graphics

Reading for Information

- ✓ Identify important details that may not be clearly stated
- ✓ Use the reading material to figure out the meaning of words that are not defined
- ✓ Apply instructions with several steps to a situation that is the same as the situation in the reading materials
- ✓ Choose what to do when changing conditions call for a different action (follow directions that include “if-then” statements)
