Program Year 2016 Highlights

Helping employers find the talent & resources they need. • Helping individuals find the jobs they want.

Serving the 9 county region of Central PA

The Central Pennsylvania Workforce Development Corporation (CPWDC) oversees the local workforce system and operations of six PA CareerLink® facilities in Central PA. These one-stop career centers deliver services to employers, job seekers and youth. Our goal is to ensure that the skills of the labor pool exceed the demands of local employers.
